- Drug dealing (11 votes on NHL) - We have been conducting plain clothes patrols in areas we are told drug dealing is an issue. We collect intelligence from residents and CrimeStoppers and apply for magistrates warrants and conduct drugs raids on those we suspect of dealing in drugs. We encourage anyone to report drug dealing to us anonymously through CrimeStoppers.

News

This month, Insp Day and Sgt Jelbert completed the 'meet the Inspector' event in Market Harborough Town centre. This was a great opportunity for the public to meet the local management team of the Police station and discuss any topical issues.

After some engagements at Insomnia Coffee House (situated within the Symington Building) the officers walked the town centre and made efforts to drop into retail outlets and engage with people. As the local Policing team we find these events really useful to speak to the public we serve and gather views on what is happening on the community. Please keep your eyes on our social media pages for future dates and venues.

This month, our dedicated shoplifting processing team visited stores in the town centre. They reported it was lovely to see so many people and enjoyed the lovely compliments on their 'Retro' head ware.

They wanted to provide an update into those arrested earlier in the month from a vehicle located by officers. One of those involved was charged with 13 offences, many of them theft related. He was remanded on the day to court the following day. The second suspect was also charged with two offences.
