Your Local Team

Sgt Dale Rowles

PC Jon Marvell

**PCSO
Danny
Yeatman**

**Your Dedicated
Neighbourhood Team
(DNT) is a group of local
Officers dedicated to
serving your community.
The team is made up of
Officers based in your
area and supported by
the wider Policing
family.**

Your priorities are chosen quarterly and are based upon information gathered through NHL (Neighbourhood Link), social media, local engagement, and emerging crime trends. You have stated that the following key themes are important to you.

#YouSaidWeDid

You Said	We did
General ASB could be targeted harassment or general nuisance behaviour. Whether that be youths loitering/congregating and causing distress to the local community, or minor low level neighbour disputes which involve in behaviour that requires intervention by the appropriate agencies such as Police, Housing Associations and/or Blaby District Council.	Numerous calls have come in, in relation to an e-motorcycle with a balaclava wearing rider, riding dangerously around the Sapcote area. Do you know whom this is? We'd love to find out.
It has been reported to Leicestershire Police that the community are growing concerned around individuals presenting themselves in suspicious circumstances which subsequently involve drug dealing or the intake and misuse of illegal substances.	Reports were received of a group of youths loitering around the front of a local cafe and an alleyway to the side of the cafe where they were smoking cannabis on a regular basis. Patrols were put in place where a group of youths were stopped and searched and parents were spoken to. There have been no reported issues since.
Road safety and speeding through the villages has been identified as an issue for the NH24 Fosse Villages Beat.	Officers have seized a vehicle under 165 for not meeting legal requirements to be suitably used on the road. Upon further search of the vehicle and driver, numerous substances of Class A was found where the driver was further arrested.

News

It's been a busy time for the Fosse Villages Beat Team, with both PC Jon and PCSO Danny spent some time away on their respective annual leave and continued to cover other policing demands across the area.

Over the summer, we have regularly attended the A47 and Croft Car Boot Sales as part of Operation Generator. Working alongside Trading Standards, this proactive approach has led to a significant reduction in the sale of counterfeit goods, stolen power tools, bladed items and other illegal products. Thank you to the venue owners and staff for their ongoing support in making these events safe and enjoyable for everyone.

Reports of illegal e-bike usage have remained relatively low, although we continue to monitor the locations identified. As schools return and the seasons change, we expect local policing priorities to evolve. It was great to attend the Information Day at Huncote Leisure Centre, alongside colleagues from the council and partner organisations, speaking with residents and offering advice, support and a few freebies along the way. Whilst crime levels remain low, we are seeing more reports of scams and rogue traders targeting vulnerable members of our community. Please keep an eye out for friends, family and neighbours who may be at risk and report any concerns via 101 or online.

PC Jon and PCSO 6120 Dan attended the Croft Quarry, to respond to what initially came in as an industrial accident. Upon arrival from ourselves and colleagues from Hinckley, it appears that the driver managed to vacate the cab of the HGV, unscathed with only minor injuries. The HGV was rescued back onto its wheels by Crouch Recovery and an investigation will now be launched by the HSE (Health & Safety Executive).

NEIGHBOURHOOD LINK:

Neighbourhood Link is a community messaging service from Leicestershire Police that provides news and information about policing activity or initiatives, crime prevention advice as well as major incidents affecting your area. In order to receive messages, you will need to register your details. Registration is free and simple to follow. Sign up at: <https://www.neighbourhoodlink.co.uk>

Please also take the time to let the Beat understand your concerns by completing the survey to the right. Simply scan your camera over the top and click.
