Welcome to your Uppingham police e-newsletter. Here you will find all of the latest news from an Uppingham policing perspective .

What matters to you

We have listened to you and the concerns you have raised through surveys, community consultations and analysing crime trends. Using this data, we have created the following Uppingham Town priorities that the Dedicated Neighbourhood Team will focus their efforts on:

Priority 1: Road Safety. You said: Speeding vehicles on Rutland roads is a priority you want us to address, specifically the lack of adherence to 30mph zones. What we are going to do: We will

complete high visibility patrols of hotspot areas with partner agencies and deal proactively with offenders with a view to providing suitable advice or action where required.

Priority 2: Drugs. You Said: Drug dealing as well as drug use in the area. We are going to do develop our intelligence picture around those who commit this type of crime so we that we can effectively target our resources in the right areas, at the right time, with the aim of deterring, disrupting and bringing offenders to justice.

Priority 3: Anti-Social Behaviour. You said: Specific issues of Anti-Social Behaviour (ASB) concerning individuals in the community, 'nuisance neighbours' and irresponsible dog ownership / walking is an area you want us to focus on. What we are going to do: We will provide a frequent high visibility policing presence, as part of a localised operation around Road Safety, to the affected areas with marked vehicle patrols and regular monitoring. We will deploy the speed gun device and deal with offenders robustly where appropriate. We will also continue to work with partner agencies, such as the Road Safety Partnership mobile speed camera van, to identify areas of concern and request deployment of that resource. We will then continue to publish the enforcement statistics on the Neighbourhood Link messaging service.

WHAT WE HAVE DONE #yousaidwedid

Proactive action taken in relation to our Drug Priority. Over September we have been successful in targeting several vehicles linked to drug supply and driving offences in the Uppingham area.

Early in the month a vehicle was stopped which resulted in around £1,200 worth of suspected class A drugs being seized. The driver being arrested, and the vehicle seized.

Later in the month a vehicle linked to drug supply was stopped on the A47 close to Uppingham and the occupant was arrested for drugs offences after a quantity of Class A drugs was seized. The male was also wanted by our colleagues in Scotland.

Finally, a vehicle was stopped on the outskirts of Uppingham. The driver who was suspected of delivering drugs into the area tried to discard the drugs but was not successful and he was subsequently arrested.

We have also had four vehicles fail to stop after being requested to do so. The drivers have been identified and investigations are now ongoing, three of the vehicles were seized shortly afterwards and the drivers are now awaiting court dates
