#YouSaid - What matters to you

PRIORITY 1—Anti-Social Behaviour in and around Braunstone Park continues as a priority concern from the community. Over the spring period, the team will continue to concentrate on this location.

We Did- Anti-social behaviour in and around Braunstone Park remains a priority concern raised by the community. Throughout April, the beat team has continued to focus activity in this location as part of ongoing spring and summer policing plans, aiming to provide reassurance, deter ASB and positively engage with park users.

Officers have continued to carry out regular high-visibility patrols in and around Braunstone Park, maintaining a visible presence to discourage anti-social behaviour and address concerns as they arise. The team has also held a number of beat surgeries, providing residents with opportunities to speak directly with officers, raise concerns and share information about issues affecting the area.

The beat team will continue to concentrate on Braunstone Park over the spring period, using a combination of patrols, engagement and targeted activity to reduce ASB and maintain a safe and welcoming environment for the community.

PRIORITY 2—Road safety has been highlighted to be a local concern. We will continue to concentrate on speeding concerns and anti social behaviour caused by e bikes, e scooters and off road motorbikes.

We Did—Concerns around speeding and anti-social behaviour linked to e-bikes, e-scooters and off-road motorbikes continue to be a particular focus. Since the last update, the team has carried out a further targeted road safety operation during May—namely Operation Pedalfast. These enforcement activities form part of our ongoing efforts to address nuisance riding and improve safety within residential areas.

We encourage residents to keep reporting concerns, as community information plays a vital role in directing patrols and enforcement. Our focus will remain on improving road safety and maintaining reassurance for those who live, work and travel within the ward.

PRIORITY 3—Drug dealing and usage at locations across the Braunstone and Rowley Fields area is a concern.

We Did—Since the last update, the beat team has maintained a proactive approach, focusing on disruption, intelligence gathering and visible patrols in identified hotspot locations. During May, the team has successfully obtained a further drugs warrant via the court, which will be executed shortly as part of ongoing efforts to disrupt local drug supply and associated criminality.

In addition, vital information continues to be obtained through regular community engagements, allowing the team to better understand local concerns and emerging issues.

We continue to encourage the community to report suspicious activity, including suspected drug dealing, unusual behaviour around properties or frequent short-term visitors. Information from residents remains crucial in helping us take effective action.

A Fond Farewell to PCSO Geoff

After an outstanding 40 years of dedicated service with Leicestershire Police, PCSO Geoff now begins a well-earned retirement, marking the close of a truly remarkable career.

His unwavering commitment to public service, combined with his approachable nature and professionalism, has made a lasting impact on colleagues and the communities he has served. As a PCSO, Geoff consistently exemplified the very best of neighbourhood policing—building strong relationships, offering reassurance, and always going above and beyond to support others.

ance, and always going above and beyond to support others.

Geoff's contribution reaches far beyond his role. He has been a valued colleague, a source of knowledge and experience, and a steady and reliable figure within the team.

Geoff leaves with the respect, gratitude, and best wishes of all who have had the pleasure of working alongside him.

Braunstone and Rowley Fields Beat Team Named Beat Team of the Year

"Congratulations to the Braunstone and Rowley Fields Beat Team on being awarded *Beat Team of the Year* at the recent Chief Constable's Awards.

This well-deserved recognition reflects the team's outstanding commitment to their community, their proactive approach to neighbourhood policing, and the consistency with which they go above and beyond to make a difference. Their hard work in tackling local issues, building strong relationships with residents, and providing visible, reassuring policing has set a benchmark for others to follow.

The award is a testament not only to their professionalism and dedication, but also to their teamwork and determination to deliver the highest standard of service every day.

This achievement is something to be incredibly proud of, and a fitting recognition of the team's continued excellence."
