29/07/25 - Sainsbury BTSY - Melton road - 10:30am-11:30am

These events give you a great opportunity to meet your local beat team and discuss any concerns you have for the area. Our school patrols also focus on dangerous parking around school pick up times as well as tackling any potential anti-social behaviour around school times. We look forward to seeing you!

The highest threats to the NE11 Rushey Mead beat are identified as monthly NPA priorities. These are identified during; the Weekly Tasking Meeting, Neighbourhood Link Surveys, virtual and physical consultations with communities. Officers and staff actively prioritise their workloads with specific focus on the identified priorities.

The priorities are published both internally and externally via the Single Online Police.uk website, social media and in the publication of Beat Newsletters.

The ongoing priorities for NE11 Rushey Mead beat are:

- Work in collaboration with our communities and partners to tackle road safety related issues.
- In collaboration with communities and partners work to tackle hate crime, increase reporting, and to build trust and confidence in Leicestershire Police.
- In collaboration with Leicester City Council, and other partners to reduce Anti-Social Behaviour on our green spaces, on the Rushey Fields associated with cricket and alcohol.
- In collaboration with our partners and the community to tackle and reduce burglaries.

**Operation Wasp is East Leicester Policing Teams' operation to tackle ASB in our green spaces and park areas**

## **OP WASP 2025**

**Report antisocial behaviour online at  
[www.leics.police.uk/reportonline](http://www.leics.police.uk/reportonline)**

Over the summer we are focusing on high visibility engagement and patrols in and around parks and public spaces.

Operation Wasp has been put in place to prevent crime and disrupt anti-social behaviour. Some of the key areas the team have been focusing on are as below:

Rushey Fields Recreational Grounds  
Appleton Park

Jesse Jackson Park

Trevino Drive Play Park

**You Said:** Road Safety - results from "my views" survey conducted by the local team, via Neighbourhood Link, indicate that this is a priority concern on the area.  
**We Did:** Proactive traffic operations have been conducted in the area in the interest of road safety.

Beat officers have been providing patrols at local schools at key times to improve the safety of pupils, parents and road users.

# RUSHEY FIELDS CRICKET TOURNAMENT 2025

Over the past weekends, the NE11 Rushey Mead Beat Team have been out conducting regular patrols on the Rushey Fields to support the ongoing cricket tournament. It has been a fantastic display of teamwork, sportsmanship and community spirit. The organisers and teams have worked collaboratively with the police to make sure any ASB is eliminated and to make sure the games have run smoothly. As a result of extensive planning with multi-agencies, the event continues to be even more successful every year!

A huge thank you to everyone who took part – players, organisers and supporters alike and of course a big congratulations to the winning team on a well-earned victory.

## FRAUD AWARENESS

There has been a recent rise in Artificial intelligence videos of people pretending to be trusted members of the community giving false investment advice, such as online videos of Martin Lewis. Please be aware that these videos among many others are false and misleading and are a scam.

Please do not click on any links that are being shown in the videos as they are not who they say they are.

Prevention tips to be aware of:

- Guard your passwords – avoid predictable options like birthdays or pet names.
- Watch out for calls – Be wary of unsolicited calls, emails and texts. Callers will pretend to be your bank and try and access your details via the phone.
- Enable Two-factor authentication – Add an extra layer of security to your accounts by enabling two-factor authentication. It can stop hackers even if they get your password.
- Report suspicious activity – If you suspect fraud, report it to your bank, Action Fraud, or local authorities.
