VE Day:

To mark the 80th Anniversary of VE Day the Broughton Astley Scouts Group held a VE Day event on Frolesworth Road Park.

There was tug of war, football, rounders and loads of stalls to visit on the park!

CSP Event:

On 14th May PC 609 and PC 1035 attended a CSP Event (Community Safety Partnership Event) where agencies such as police, local housing, local and district council & mental health services all come together & be available to speak to the community. It was great to see so many people come and chat to us and discuss any issues they wished to raise.

OP Sceptre:

The 19th of May marked the start of OP Sceptre, a week of action to tackle knife crime and bring awareness around the risks of carrying knives. That week the local beat team completed knife sweeps around Frolesworth Road Park, visited HKCs (Habitual Knife Carriers) around the Harborough and Wigston area & had the knife amnesty bin at Market Harborough.

!!Health and Safety Advice!!:

With the good weather approaching, please make sure to be aware and advise your children not to swim in any open water, ponds or lakes. And not to trespass onto any land to go in the water.

We had reports last year of people trespassing onto private land to swim in ponds and lakes. This is a serious safety risk and can cause issues if someone becomes stuck in the water or goes into shock due to the cold temperatures.

The local beat team will complete patrols in these areas and anyone found trespassing the land to swim will be dealt with accordingly.

KEEP YOUR PROPERTY SECURE

Test your burglar alarm regularly and remember to set it while away

Close all windows and doors when you're not in the room

Think about what you post on social media while you're away

Reconsider leaving notes for the postman about where to leave parcels

Fit sheds, garages and any outbuildings with locks

Look at your property from the outside to review what can be seen
