Your Team:

PCSO 6164 Harks Sanghera
PCSO 6518 Nad Ikram
PC 4555 Ryan Holden

What matters to you:

Priority 1: You told us that you were concerned about burglaries within the Oadby area.

What we are doing: Officers continue to conduct regular patrols of the areas where offences have occurred, these patrols are reducing the number of burglaries. We will continue to do this going forward. Where CCTV is available, this will provide valuable intelligence on times and when offences are happening and possible vehicles involved, to assist in our patrol strategy.

Priority 2: Road Safety You said: You have told us that Road Safety is a priority, this includes things like Speeding, Insurance, MOT and driving offences.

What we are doing: We have conducted vehicle speed checks at identified locations. Local officers have been targeting motorist's speeding, not wearing seatbelts, using mobile phones and drink/drug driving. Local officers have received reports of identified vehicles being driven without valid insurance, MOT and tax.

Priority 3: Anti-social Behaviour You Said: You have told us that Anti-Social behaviour causes you concern. This can be things like excessive noise, smoking drugs and more. We will be working with partners to ensure we can tackle these issues and reduce their occurrences.

What we are doing: Your local police beat team and response officers continue to patrol identified locations, as reported by yourselves with regards to anti-social behaviour and drug related incidents. Officers continue to stop check persons and vehicles who are involved in drugs. Local officers have identified vehicles which are related to criminality.

What we have done #yousaidwedid

Tackling anti-social behaviour and drug-related concerns

Your local Oadby policing team continues to prioritise action against anti-social behaviour and drug-related activity across the area. Throughout December, officers have been carrying out targeted patrols in key locations, responding to community intelligence, and conducting stop checks on vehicles believed to be involved in suspicious activity. These proactive measures are already helping us disrupt criminal behaviour and keep our neighbourhoods safe. We have also been addressing reports of vehicles involved in anti-social behaviour. Increased visibility and engagement with drivers have supported our efforts to reduce nuisance driving and reassure residents.

Ongoing patrols and prime prevention

Throughout December, increased patrols across Oadby have played a key role in preventing burglaries and deterring criminal activity. We will continue to maintain a strong presence in the community as we move into the new year.

Recovery of stolen vehicles

During December PCSO Harks made yet another significant discovery while conducting routine patrols in Oadby. A suspiciously parked car caught attention of PCSO Harks, prompting a closer inspection. His curiosity and commitment to thorough policing led him to investigate the vehicle in detail, ultimately confirming it was stolen. This marks the third stolen car PCSO Harks has recovered in just three weeks, highlighting both the effectiveness of proactive patrols and his keen eye for detail.

Meet Your Police at Oadby Library

On Saturday 13th December 2025, I hosted a 'Meet Your Police' session at Oadby Library. The session provided an opportunity for residents to discuss local policing matters and hear recent updates. It was a pleasure to meet local Oadby resident Martin, a proactive community representative, who attended the session. We had a productive discussion about road traffic safety concerns, and the initiatives Martin is collaborating on with other local partners. Thank you, Martin, for your continued commitment and efforts to make Oadby a safer place, your voice truly makes a difference.

Tea & coffee morning session at the United Reformed Church

It was great to attend the weekly tea & coffee morning session at the United Reformed Church in Oadby on Monday 15th December 2025. It was genuinely wonderful to meet residents and share a cuppa and a chat. These events are invaluable and provide a informal setting to connect directly with the heart of our community. A key topic that came up in many of our discussions was road safety in the area. We talked through concerns regarding speeding on roads, e-scooters and school parking. Your input helps us target our patrols and resources effectively to make our streets safer for everyone. Thank you to the church and all the attendees for such a warm welcome and for engaging in a constructive conversation.

Celebrating Outstanding Service

We are incredibly proud to share that Response Officers from Market Harborough and Wigston have been awarded a Chief Superintendent's Commendation for Service Excellence following their exceptional response to an extremely challenging and traumatic incident. Sergeant Eaves, PC Hardy, PC Williamson, PC O'Riordan and PC Andrews were called to reports of a person who was engulfed in fire. Without hesitation, they showed remarkable courage, professionalism, and teamwork. Happy New Year from Wigston Police Station!

As we head into 2026, all of us here at the station want to wish the residents of South Wigston, Wigston, and Oadby a very happy and peaceful New Year. 2025 was a busy year for our teams, and we are incredibly proud of the work we've done to keep our streets safe. To look back on the year that was, we've put together a short montage of photos from community events and visits. Policing is a team effort, and we couldn't do it without the support of our partners and, most importantly, you—our community. Thank you for your continued help and vigilance.
