- Speeding (10 votes on Neighbourhood Link (NHL)).
- Anti social behaviour (10 votes on NHL) - identifying individuals causing the anti social behaviour. Passing their names to the council to start the incremental approach. Targeting areas of known ASB activity.
- Drug dealing (11 votes on NHL) - We have been conducting plain clothes patrols in areas we are told drug dealing is an issue. We collect intelligence from residents and CrimeStoppers and apply for magistrates warrants and conduct drugs raids on those we suspect of dealing in drugs. We encourage anyone to report drug dealing to us anonymously through CrimeStoppers.

News

The neighbourhood team are always keeping a keen eye out for suspicious cars. Road safety is one of your priorities. This from Facebook. Silverstone or Market Harborough...

The driver of the below vehicle clearly forgot that Burnmill Road in Market Harborough was not the Silverstone circuit as he drove at approximately 50mph in a 30pmh zone yesterday. This was quickly noticed by the Neighbourhood Priority Team and the Beat team.

A short while later, the vehicle was stopped and unfortunately for the driver he was arrested for a few offences, which included

- Possession with intent to supply class B drugs.
- Driving without a licence
- Driving with no insurance
- Driving whilst under the influence of drugs

The investigation continues...

Its not just humans we help, but we are also there for a furry four legged friends. This from one of our neighbourhood officers.

After a lengthy foot chase up and down Leicester Road and some intense negotiation amongst flowing traffic, NikNak was returned to her very relieved owner .

Following this I have learnt :

1. I need a Pomeranian puppy

A huge thanks to Sgt Eaves who managed to get hold of NikNak who is now back on the sofa at home where she's happiest.
