What matters to you

PRIORITY: Anti-Social Behaviour (ASB)
ASB caused by young people has been highlighted by residents.
PRIORITY: Drugs
Drug dealing and drug use continue to be a key issue highlighted by residents.
PRIORITY: Off-road Bikes
Despite the summer months being over, there are still issues with off-road bikes and quad bikes being ridden illegally and dangerously in open and green spaces.

What we are doing

ACTION: ASB
Through a combination of prevention, engagement and enforcement, we aim to reduce incidents of anti-social behaviour and provide reassurance to residents. We encourage residents to continue reporting incidents and sharing information with us, as this helps us identify patterns, target resources effectively, and keep our communities safe.
ACTION: Drugs
Officers continue to proactively tackle drug-related issues through intelligence-led patrols and enforcement activity. Working in partnership with Leicester City Council, action is being taken against properties linked to the use and supply of illegal drugs. Through continued partnership working and targeted policing, we aim to reduce the impact of drug-related activity and help keep our communities safe.
ACTION: Off-road Bikes
Officers are continuing to conduct targeted patrols in areas affected by nuisance riding, using information from residents and intelligence to identify those involved. Through proactive patrols, enforcement activity, and partnership working, we aim to reduce nuisance riding and improve the safety and enjoyment of our neighbourhood.
