November 2024

## Your local team has changed

PC 1668 Rebeca Angel has transferred across to Oakham to take over the vacant position of Dedicated Neighbourhood Officer for the town. PC 1049 Jake Spruce and PC 2157 Edd McKinnon who are the DNO's for Rutland North and Rutland South are now sharing the role.

I am sure you will join me in thanking Rebecca for her dedication to Uppingham, in reducing crime and safeguarding the vulnerable during her time in the role.

## What matters to you

We have listened to you and the concerns you have raised through surveys, community consultation and analysing crime trends. Using this data as of 1 November 2024 the following are the Uppingham priorities for the following three months.

### Priority 1. **Anti-Social Behaviour**

You Said: Anti-Social Behaviour is a concern for residents of Uppingham.

What we are going to do: We will complete high visibility patrols of hot spot areas and deal proactively with offenders with a view to providing a community resolution disposal if it is applicable.

### Priority 2. **Drugs**

You Said: The use and selling of drugs in Uppingham are a concern for residents.

What we are going to do: Neighbourhood and Response Officers will patrol hot spot areas where drug activity has been brought to our attention. Intelligence will be gathered on a daily basis through community engagement. Planned operations will be in place around Rutland which will be focusing on vehicles and drugs coming in and out of Rutland from other areas of the country.

### Priority 3. **Road Safety**

You Said: Road Safety (speeding) is a concern the people of Uppingham want us to address.

What we are going to do: We will provide a frequent high visibility policing presence to the affected areas with marked vehicle patrols and regular monitoring. We will deploy the speed gun device and deal with offenders robustly where appropriate. We will also continue to work with partner agencies, such as the Road Safety Partnership mobile speed camera van, to identify areas of concern and request deployment of that resource.

## What we have done #yousaidwedid

**Drugs** - Officers have stopped a vehicle suspected to be involved in the supply of class A controlled drugs. Suspicions were proved correct when a quantity of class A drugs and cash were seized, and the occupant of the vehicle was arrested on suspicion of possession with intent to supply controlled drugs. This is another great example of officers acting proactively on information supplied by the public and it shows just how vital you are to the work we do. If you see something suspicious report it, online via our website, by phone on 101 or using Crime Stoppers. This is a great result for our local community.

## Crime and Policing report – last 30 days

### Burglary Dwelling x 2

Vacant new build entered through insecure window and boiler stolen.

Property entered via rear door, car keys and vehicle stolen.

### Theft x 1- Theft from Store

### Criminal Damage x 1
