**Issue: October**

## Your Local Team

- **Sgt 1777 Chris Osborn**
- **PC 4290 James Johnson**
- **PCSO 6663 Shaheen Abdulla**

## What matters to you

We have listened to you and the concerns you raised and will Prioritize the following from July 2026.

**Priority 1: ASB**. **You said**: You have concerns around anti- social behavior across the village. We will continue to try and disrupt this type of behavior and use the ASB incremental approach to deter offenders**.**

**Priority 2: Speeding**. **You said:** You are concerned about vehicles speeding in the villages. We will continue to monitor and enforce speed across several sites in the village.

**Priority 3: Burglaries**. We aim to work with the relevant authorities to reduce the burglaries across the village and to try and reduce the number of reported thefts from the recycling Centre. Visiting victims and prevention advice.

# News

**October**

**Priority 1: The beat team aim to tackle different elements of ASB in Mountsorrel**

Your local Beat Team has continued to work closely with partner agencies to address and resolve anti-social behaviour issues within the community.

During the month, police received reports that two young people had been going around the local area knocking on residents' doors. Both individuals have been identified, spoken to by officers, and placed on the Anti-Social Behaviour Incremental Approach to help prevent further incidents.

We have also received a report of criminal damage at Bond Lane Railway Station. Patrols in the area have been increased, and officers will continue to monitor the location and carry out reassurance patrols.

In addition, the Beat Team has been conducting high-visibility patrols throughout the village to provide reassurance, engage with residents, and address any concerns raised by the community.

**Priority 2: The beat team aim to target reports of speeding in Mountsorrel.**

**Speed checks**

The Beat Team conducted speed enforcement checks on Halstead Road during the month. We are pleased to report that, during the time officers were present, all motorists complied with the speed limit and drove within the law.

These proactive speed checks are carried out to promote road safety, address community concerns, and help keep our roads safe for all users. We will continue to monitor locations across the beat area and carry out enforcement where required.

**Priority 3: Burglaries**

We are pleased to report that there have been no reported burglaries within the village during the past month.

The Beat Team continues to carry out regular high-visibility patrols throughout the village, providing reassurance to residents and maintaining a visible presence within the community. These patrols are supported by our response policing colleagues, who also patrol the area and assist in tackling crime and protecting local residents.

We would encourage residents to remain vigilant and continue reporting any suspicious activity to police, as community information plays a vital role in helping us keep the village safe.
