#YouSaid - What matters to you

Priority 1: Drug Dealing

You said: Issues re drug dealing in the local community.

What we are going to do: Patrols are taking place throughout the day and night and stop search powers are being utilised where grounds permit. Anyone found with illegal substances on them are being dealt with accordingly. Further patrols are also taking place throughout hot spot areas to build up intelligence that can be acted on. Please continue to report any suspicious activity to us.

Priority 2: Road Safety

You said: Speeding and road safety on the beat is a concern for you.

The beat team seized a car and the driver was dealt with by issuing a traffic offence report (TOR) for driving without insurance.

The Beat team also attended a RTC where by the driver was driving on a provisional licence and had two bold tyres. They will now be dealt with accordingly.

Priority 3: Anti-social Behaviour

It is now the School summer Holidays so extra patrols will take place to minimize anti social behaviour and general criminality.

You Said: Concerns raised relating to youth related Anti Social Behaviour.

What we are going to do: Support residents on an individual basis where complaints are made, challenge those involved and work with partner agencies to implement outcomes. Complete targeted patrols where identified to disrupt and challenge behaviour. These issues can occur anywhere, so we rely on your communication to tackle these issues.

Keeping Melton Town North Safe, Connected and Supported

Over the past few weeks, your Melton Town North Beat Team has been busy carrying out patrols, progressing investigations, working with partner agencies and engaging with residents across the beat. Alongside responding to incidents and concerns raised by the community, we have continued to focus on safeguarding vulnerable people, tackling anti-social behaviour and building positive relationships with local residents of all ages.

👥 Partnership Patch Walk on the Fairmead Estate

Officers recently joined colleagues from the local Housing Team and Melton Borough Council's Community Safety Team for a patch walk around the Fairmead Estate.

These partnership walks allow us to identify concerns early, share information and work together to find long-term solutions to issues affecting residents. Areas of focus included:

Anti-social behaviour

Community safety concerns

Housing-related issues

Environmental matters

Areas requiring further support or intervention

Just as importantly, the walk provided an opportunity for residents to speak directly with officers and partner agencies about issues that matter most to them.

📍 A Special Visit to Little Stars Nursery

One of the highlights of the month was a visit to Little Stars Nursery.

The children were full of enthusiasm, curiosity and plenty of fantastic questions. They enjoyed trying on police uniform, exploring the police vehicle and, of course, experiencing the lights and sirens, which proved incredibly popular.

There were lots of smiles throughout the visit and perhaps even a few future police officers in the making. Engaging with young people helps build positive relationships and trust within our communities from an early age, and it was a pleasure to spend time with the children and staff.

A huge thank you to everyone at Little Stars Nursery for such a warm welcome.

🔍 Patrols, Investigations and Supporting Motorists

Alongside ongoing investigations and regular patrols across Melton Town North, officers have attended a variety of incidents within the community.

Whilst on patrol on the A607, officers attended a broken-down vehicle after it unfortunately lost a wheel whilst travelling. Thankfully, everyone involved was safe and unharmed. The scene was managed safely until recovery arrangements were completed.

During another patrol, officers came across a separate vehicle breakdown and remained with the driver to ensure they were safe at the roadside until the vehicle could continue its journey.

In addition, PCSO Fen and PCSO French attended a two-vehicle road traffic collision on the A6006. Fortunately, incidents such as these serve as important reminders about remaining vigilant behind the wheel, particularly as road conditions begin to change with the seasons.

🔍 Working with Partners and Safeguarding the Vulnerable

Neighbourhood policing involves a significant amount of work that takes place behind the scenes. Over recent weeks, officers have attended several multi-agency meetings with partner organisations, helping to safeguard vulnerable individuals and address wider community concerns. These meetings enable agencies to share information, identify risks early and ensure people receive the support they need. Recent outcomes include:

🔍 Tackling Anti-Social Behaviour

Community Protection Warnings have been issued to individuals identified as being responsible for anti-social behaviour within the community.

These warnings clearly outline unacceptable behaviour and provide opportunities for individuals to make positive changes before further enforcement becomes necessary.

🔍 Safeguarding Those in Need

Officers also attended a concern for safety incident where an individual was identified as requiring additional support. Appropriate safeguarding measures were put in place to ensure they received assistance from the relevant services.
