# Rushey Mead NE11 February Newsletter

Issue February 2025

## Your Team

### **Sgt 2173 Isat**

PC 4039 Patel                      PCSO 6043 Khalifa  
PC 4736 Monohan              PCSO 6582 Nawaz  
PC 4504 Bramley

Sgt 2173 Isat has now returned to our beat having looking after clients in our Police Custody cells. We bid farewell to Sgt Taylor who has now started a new role out in the Counties and wish him well.

We would like to introduce you to our new PCSO on our beat. PCSO 6582 Nawaz is committed to our beat and is currently learning the Rushey Mead area. Please say hello and discuss any issues when you see him walking our beat.

We would like to share and thank our Special Constable 5178 Thanki who has been volunteering his own time for Leicestershire Police since 2019. He spends his time with East Leicester Officers and has recently joined Rushey Mead for two shifts this month.

## Community Engagements - February 2025

In the coming months you are likely to see your local police officers and PCSOs conduct patrols in your area. Below we have a list of Beat Surgeries that you are welcome to come and discuss your local issues in person.

07/02/25 - Masjid Muhammad located at Claymill Road – Patrols 12:30pm - 1:30pm

17/02/25 - Lockerbie Shop Library (Laughing Yoga 10am -11am)

19/02/25 - Sandfields Primary School – (School Patrols) – 3pm – 4pm

20/02/25 - Wyvern Primary School – (School Patrols)– 3pm – 4pm

21/02/25 - Herrik Primary School – School Patrols – 3pm – 4pm

25/02/25 - Sainsbury Beat Surgery - Melton Road - 10:30am-11:30am

27/02/25 - Aldi Beat Surgery - Felton Close – 10:30am – 11:30am

# You Said, We Did

- From reviewing the Survey Outcome it shows that there are still concerns around Road Safety and Traffic Offences for the Rushey Mead area. As a team we will look to arrange another Fatal 4 Road Safety Operation. In the meanwhile PC 4039 Patel has been seizing vehicles on our beat for various offences.

The Rushey Mead team have been also proactively patrolling the Lockerbie Walk and Rushey Fields Park and car park.

We have seen a reduction of incidents being reported for the area. We will continue to patrol the area however if there are any new area of concerns please get in contact with the beat team.

## Your Views - Survey

The Rushey Mead Beat Team would love to hear your views on local problems in your area. If you are unable to visit one of us at the above beat surgeries. Please can you use the below link and QR code to complete a survey. This will allow us to gather information and review issues for the coming month.

# Beat Priorities

## **Road Safety - results from "my views" survey conducted by the local team, via Neighbourhood Link, indicate that this is a priority concern on the area.**

The team conduct proactive traffic operations working alongside partner agencies in the interest of road safety. We have been working in conjunction with Leicester City Council and our Traffic Management Team to identify areas of concern and to consider a longer-term solution through traffic calming measures and more appropriate road signage.

Beat officers have been and will continue to provide patrols at local schools at key times to improve the safety of pupils, parents and road users.

In the month of November, the beat will be working with the wider East Leicester Team to tackle road safety concerns as part of OP Syphon addressing issues including speeding, dangerous parking, seatbelt usage and more.

Please contact the team if you have any concerns.

## **Anti-Social Behaviour- Residents have highlighted ASB around open and green spaces.**

Officers perform plain clothed and high visibility patrols in open spaces to identify perpetrators of ASB and take appropriate action. The team continue to work with the Council Wardens and Leicester City Council to identify effective working strategies to address ASB with a focus on deterrence and prevention.

We will continue to liaise with local communities and hold beat surgeries to identify issues.

A large area of concern around ASB related to the summer months with was address through OP Wasp, whilst this operation has now ceased it will continue to be address as part of OP Grove.

## **Burglaries- Results from "my views" survey conducted by the local team, via Neighbourhood Link, indicate that this is a priority concern.**

Officers are performing high visibility patrols in hotspot areas to offer community reassurance, safety advice, and a deterrent through increased police presence.

With the change in season and the days getting darker soon we will be conducting Safer Night patrols to tackle burglaries and vehicle crimes.

This will include high visibility patrols and officers utilising their powers where appropriate to target and disrupt persons that are intending to commit crime. This will be supported through the use of intelligence which we continue to develop with support from other officers and the public.

When attending incidents of burglary, Leicestershire Police will deliver a professional, effective, and efficient service that will in turn improve standards of investigation and outcomes.

The local beat team will continue to provide beat surgeries across the Rushey Mead Area. Here you can meet the team and speak to us about any concerns you may have. We will also provide you with target-hardening advice around keeping yourselves and your homes safe.

Your beat team will be out and about to provide further target hardening advice around burglaries during darker nights.
