!!Health and Safety Advice!!

With the good weather approaching, please make sure to be aware and advise your children not to swim in any open water, ponds or lakes. And not to trespass onto any land to go in the water.

We had reports last year of people trespassing onto private land to swim in ponds and lakes. This is a serious safety risk and can cause issues if someone becomes stuck in the water or goes into shock due to the cold temperatures.

The local beat team will complete patrols in these areas and anyone found trespassing the land to swim will be dealt with accordingly.

KEEP YOUR PROPERTY SECURE

Test your burglar alarm regularly and remember to set it while away

Close all windows and doors when you're not in the room

Think about what you post on social media while you're away

Reconsider leaving notes for the postman about where to leave parcels

Fit sheds, garages and any outbuildings with locks

Look at your property from the outside to review what can be seen
