

Issue: October 2026

Your Local Team

**Sgt Dale
Rowles**

**PCSO
Sarah
Eastwood**

**PCSO Dan
Tebbett**

Your Dedicated Neighbourhood Team (DNT) is a group of local Officers dedicated to serving your community. The team is made up of Officers based in your area, supported by the wider Policing family.

In addition to the Officers on the left we also have PC Abby Underwood

Your priorities are chosen quarterly and are based upon information gathered through NHL (Neighbourhood Link), social media, local engagement, and emerging crime trends. You have stated that the following key themes are important to you. #YouSaidWeDid

You Said	We did
The NH20 beat has issues with Anti-Social Behaviour across Enderby, Narborough, Littlethorpe, New Lubbethorpe and Fosse Park. Anti-Social Behaviour involving the use of e-bikes, e-scooters in public spaces. This issue also covers rowdy and inconsiderate behaviours from individuals or groups in the area.	We previously reported Anti social behaviour at Carlton Park, the youths have now been identified and visited and their parents advised of their behaviour, warning letters were also given .
Road Safety has been identified as a beat priority from Neighbourhood Link consultation and surveys with residents on the beat. Road Safety issues we face across the beat include things like speeding, improper use of the highway such as anti-social driving, road traffic collisions (RTC) and driving without tax, MOT or insurance.	See below
From Neighbourhood Link consultations, drug misuse and drug dealing have been identified as beat priorities. The use and distribution of drugs around the beat area has been identified as a priority. This includes issues surrounding the use of drugs and incidents caused by drug use, and also the effects of drug dealing in the beat area.	We would like to thank members of the community for continuing to report concerns relating to drug use and drug dealing in the area. Any information received is assessed and developed by the neighbourhood team to support ongoing action. As schools return, we are also hoping to carry out planned visits to raise awareness of the dangers and impact of drug use. Please continue to report any concerns or information you may have.

News

We received reports of youths on pushbikes causing anti-social behaviour in the rear service yards at Fosse Park. Security staff reported shouting, swearing and the youths were refusing to move on. Service yards are private property and unsafe due to regular HGV deliveries. CCTV footage has been reviewed and enquiries continue.

We supported Leicestershire Fire and Rescue Service at a car fire in Littlethorpe. Crews had extinguished the blaze and everyone was safe with no injuries reported. Thank you to local residents who checked on each other before emergency services arrived. Initial fire investigations suggested an electrical fire after the owner had attempted to start the vehicle. CCTV showed the vehicle becoming fully engulfed within two to three minutes, a sobering reminder of how fast a fire can take hold. The burning vehicle had rolled across the road while ablaze, sadly causing irreparable damage one of the neighbour's pride and joy on their own drive. The

fire service commander praised residents for their quick response to the incident, supporting each other in evacuating from the nearby properties and contacting emergency services without delay. We remained on scene for recovery of the vehicle, contacted Highways for road cleanup, and supported safeguarding referrals made by the fire and rescue service.

We have had more issues of youths climbing on the roof of the council buildings and youths kicking doors in and around Enderby. We have had some great CCTV footage and identified all youths involved and they have been given warning letters and parents spoken to, more children will be visited over the coming weeks.

We received a call from a concerned member of the public in relation to a male who had left a licensed premises in Enderby, the male had got into a van with 2 very young children, neither of which were secured in a car seat and reversed into a lamppost before driving off. Officers managed to catch up with male whom was promptly arrested and his children safeguarded.

If you have any concerns or would like advice from a local Officer please join us at our next drop in session, details are below.

NEIGHBOURHOOD LINK:

Neighbourhood Link is a community messaging service from Leicestershire Police that provides news and information about policing activity or initiatives, crime prevention advice as well as major incidents affecting your area. In order to receive messages, you will need to register your details. Registration is free and simple to follow. Sign up at: <https://www.neighbourhoodlink.co.uk>

Please also take the time to let the Beat understand your concerns by completing the survey to the right. Simply scan your camera over the top and click.
