PC 1217 Chelsea REAST

PC 1520 Ryan WILLIAMS

PCSO 6661 Beth LESLIE

PCSO 6393 Julie WYCHERLEY

#YouSaid - What matters to you

PRIORITY 1—Anti-Social Behaviour in and around Braunstone Park continues as a priority concern from the community. Over the spring period, the team will continue to concentrate on this location.

We Did- Anti-social behaviour in and around Braunstone Park remains a key priority for the Braunstone and Rowley Fields Beat Team following concerns raised by residents and park users. Throughout October, officers have continued high-visibility patrols in the park and surrounding area, providing reassurance, tackling issues early and engaging with the community.

The team has also carried out a range of community engagement activities, including a drop-in event at the Braunstone Park Run and a bike registration event, giving residents opportunities to discuss concerns, receive crime prevention advice and help officers identify emerging issues.

By maintaining a visible presence and working closely with the community, the beat team continues to address anti-social behaviour, respond to local concerns and improve confidence in Braunstone Park and the surrounding neighbourhood. Proactive patrols and engagement activity will continue throughout the autumn using both preventative and enforcement measures where appropriate

PRIORITY 2 –Road safety has been highlighted to be a local concern. We will continue to concentrate on speeding concerns and anti social behaviour caused by e bikes, e scooters and off road motorbikes.

We Did—Throughout October, officers carried out proactive patrols and enforcement activity, targeting unlawful vehicle use and nuisance driving. This included recovering a vehicle under DVLA powers for having no valid vehicle tax and issuing a Section 59 warning to a driver whose manner of driving was causing alarm, distress or annoyance to members of the public.

The beat team recognises the impact irresponsible vehicle use can have on the community and will continue targeted patrols, enforcement and engagement with residents. Through proactive policing and education, the team remains committed to improving road safety and making Braunstone and Rowley Fields a safer place to live, work and visit.

PRIORITY 3 –Drug dealing and usage at locations across the Braunstone and Rowley Fields area is a concern.

We Did—Throughout October, officers carried out targeted hotspot patrols around Blackmore Drive, engaging with residents and gathering intelligence relating to suspected drug activity. This intelligence-led approach helps identify individuals and locations linked to offending and supports appropriate enforcement action.

The team is also progressing a Closure Order application for a property linked to drug misuse and anti-social behaviour, working closely with Leicester City Council and partner agencies to protect local residents from ongoing criminal and nuisance behaviour.

Good news for October;

Our neighbourhood officers and PCSOs have been busy making a positive impact across the area over recent weeks.

PCSOs Beth and Julie assisted the Roads Policing Unit at a road traffic collision on Gallards Hill, where a Traffic Offence Report was submitted. They also recovered a vehicle on Sweetbriar Road using DVLA powers.

PCs George and Chelsea were carrying out proactive patrols when they spotted a suspicious male. Following a stop search, drugs were located and the male was found to be wanted for unrelated offences, resulting in positive action being taken.

PCSOs Beth and Julie were also first on scene at a road traffic collision where a vehicle had overturned and come to rest on its roof. Thankfully, no injuries were reported. During patrols they also discovered a fire in Braunstone Park, caused by a deliberately ignited moped, ensuring the incident was dealt with promptly.

Behind the scenes, PC Chelsea has been working hard preparing paperwork for a Criminal Behaviour Order (CBO) application against a prolific offender, helping to protect the community and tackle persistent anti-social and criminal behaviour.

A great example of proactive policing, teamwork, and dedication to keeping our communities safe.

Upcoming Officer Drop-ins for November
