wider Policing family.**

Your priorities are chosen quarterly and are based upon information gathered through NHL (Neighbourhood Link), social media, local engagement, and emerging crime trends. You have stated that the following key themes are important to you.

#YouSaidWeDid

You Said	We did
E-scooters are being used to cause anti-social behaviour in Earl Shilton, by riding on the pedestrian footpaths.	See below.
Motorcross bikes are being used in an anti-social manner around the areas of Mill Lane and the Quarry.	Reports of 10 youths riding mopeds dangerously shouting and swearing at members of the public. Patrols have been increased.
Youths are acting in an anti-social manner on Wood Street Park, with reports of them drinking, fighting, setting fires, and causing damage to fences.	Patrols have been conducted after school hours and weekends. See below for full update.

News

We were pleased to spend some time at the Co-op in Earl Shilton, where we held a crime prevention and community engagement stall. It was wonderful to meet so many residents and visitors, share practical crime prevention advice, and provide security items to help keep homes, sheds, and gardens secure. Thank you to everyone who stopped by for a friendly chat and took the time to speak with us. Your support, engagement, and commitment to looking out for one another help make Earl Shilton a safe, welcoming, and vibrant community for all.

Whilst on patrol in Earl Shilton, we stopped a male youth who was with an e-scooter on a public Path/public place. We spoke with the male and provided words of advice regarding the legislation surrounding the use of e-scooters. We informed him that if the e-scooter was being used unlawfully and that if he is subsequently seen riding it, the scooter would be seized. I instructed him to not ride it and walk the e-scooter home. The young chap acknowledged the advice given and was warned that should we see him riding the e-scooter again, we would take action to seize it. No further action was taken at this time.

A group of youths have been reported for engaging in antisocial behaviour within the area of Wood Street Park. The behaviour includes littering, using foul and abusive language, and acting in a manner that is causing nuisance and distress to members of the public. The youths have also been observed setting fires, creating a potential risk to public safety, nearby property, and the surrounding environment. Their actions are negatively affecting the local community and impacting the enjoyment of the area by residents and visitors. The behaviour appears to be ongoing and concerns have been raised regarding the escalation of fire-setting activities and the continued antisocial conduct. Increased patrols have been conducted in the area and officers are urging parents to speak to their children whom use the park.
