#YouSaid - What matters to you.

We have listened to you and the concerns you raised and will prioritise the following in February 2025.

Priority 1: Theft

You said: You told us that you were concerned about thefts, this can include shop thefts and vehicle break ins in the area. We will try to prioritise this going forward.

Priority 2: Motor vehicle crime

You Said: you told us that you were concerned about vehicle crime this includes anything from theft of vehicle to theft from vehicle.

Priority 3: Road Safety

You Said: You have told us that road safety is a priority, this includes speeding, dangerous driving, no insurance, no MOT, no tax and more.

#WeDid - What we are doing

As part of our ongoing priorities in Lutterworth, we have been focusing on thefts, vehicle crime, and road safety.

- **Thefts:** We have carried out targeted patrols around local shops and car parks, identifying and dealing with known offenders. We've also engaged with businesses to provide crime prevention advice and strengthen links with shop staff.
- **Vehicle crime:** We have increased evening patrols in hotspot areas, spoken to residents about simple security steps they can take to secure their property.
- **Road safety:** We have conducted speed checks in areas raised by the community and offered visible reassurance patrols around schools at peak times. We continue to work with partners to highlight the dangers of speeding and inconsiderate parking.

Lutterworth Neighbourhood Policing Newsletter September 2026

Tackling Off-Road Vehicle Nuisance

The Lutterworth Beat Team continues to take proactive action against the illegal and anti-social use of quad bikes across the local area.

On **Saturday 19 September**, local PCSOs seized a quad bike from **Bittesby Country Park** following ongoing concerns from the community. The use of quad bikes and other off-road vehicles has been a persistent issue in and around Lutterworth, causing nuisance, damage to open spaces, and concern for local residents.

The local beat team is working closely with partners, including **Magna Park**, to identify those responsible and tackle the issue through enforcement, intelligence gathering, and preventative measures.

Demonstrating our continued commitment to addressing this problem, officers seized a **second quad bike just one week later in the Ullesthorpe area**. These results show that local policing teams remain focused on disrupting illegal off-road vehicle use and responding to concerns raised by our communities.

We would like to thank residents for continuing to report incidents and provide information that assists our enquiries.

Know the Risks

Many people are unaware that riding a quad bike irresponsibly can lead to a number of offences being committed, including:

- **Driving without a valid licence**
- **Driving without insurance**
- **Careless or inconsiderate driving**
- **Dangerous driving**
- **Failing to wear an approved crash helmet where required**
- **Trespassing on private land**
- **Causing criminal damage to land, fences, trees or crops**
- **Anti-social use of a motor vehicle**

Officers may also use powers under **Section 59 of the Police Reform Act 2002** where a vehicle is being driven carelessly, inconsiderately, or in a manner causing alarm, distress or annoyance to members of the public. A rider may receive a warning and, if the behaviour continues or is repeated within 12 months, police can seize the vehicle.

We would like to thank the public for continuing to report incidents and provide information that helps us identify offenders and direct patrols to problem locations.

Supporting Young People at Lutterworth College

This month, local officers attended the **Lutterworth College Careers Fair**, providing students with an opportunity to learn more about careers within policing.

The event was an excellent opportunity to engage with young people and discuss the wide range of roles available across the police service, including opportunities as police officers, PCSOs, police staff and volunteers.

Students were able to ask questions about recruitment, training, day-to-day policing and the skills required to succeed in a policing career. Officers enjoyed speaking with students and sharing their experiences of serving local communities.

We would like to thank **Lutterworth College** for inviting us to attend and for helping to strengthen positive relationships between young people and their local policing team.

Working Together for Safer Communities

Your local neighbourhood team remains committed to tackling anti-social behaviour, preventing crime and engaging with the communities we serve.

If you witness the illegal use of quad bikes, off-road motorcycles or other nuisance vehicles, please report it. Information provided by residents is invaluable in helping us identify offenders and take enforcement action.
