What matters to you #YouSaid

We have listened to you and the concerns you have raised and we set our priorities for April, May and June to reflect this.

Priority 1: To support City Centre businesses with retail crime and tackle perpetrators

YOU SAID: Retail crime effects shopping areas of the City Centre and you would like to see action to tackle this and support our retailers.

Priority 2: To tackle vehicle related crime and antisocial behaviour

YOU SAID: You want to visit the City Centre and not experience vehicle related ASB. You are concerned about motor vehicles committing driving offences and causing parking issues in the City Centre.

Priority 3: To tackle anti-social behaviour in the area of Granby Street, Belvior Street and Town Hall Square

YOU SAID: You want to enjoy the Town Hall Square, Granby Street, Belvior and surrounding area but ASB caused by people and vehicles prevents this.

What have we done? #WeDid

- High-visibility patrols at Haymarket and Highcross to deter retail crime and reassure businesses and shoppers.
- Strong partnerships with retailers through targeted visits and crime prevention advice.
- Over 20 prolific shoplifters identified and charged, reducing repeat offending.
- Criminal Behaviour Orders used against persistent offenders, with 2 granted and 4 further applications submitted.

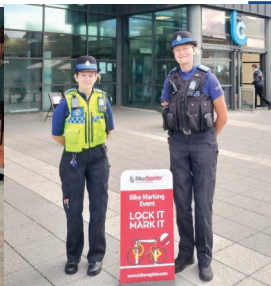

- Operation Pedalfast has seized 956 illegal e-scooters and non-compliant e-bikes across the city centre.
- Regular patrols and enforcement action continue in vehicle crime and anti-social driving hotspots.
- Fifteen Bike Register events held to help protect bikes, deter theft and reunite recovered cycles with owners.
- Ongoing work to improve road safety and reduce vehicle-related anti-social behaviour for residents and visitors.
- Our neighbourhood teams remain committed to addressing the issues that matter most to local residents, businesses and visitors. Through a combination of high-visibility patrols, enforcement activity and community engagement, we will continue working to make the city centre safe.

- Continued partnership working to address anti-social behaviour, drug-related crime and environmental concerns.
- Regular high-visibility patrols and enforcement activity have helped reduce ASB and increase public confidence.
- Two individuals charged with Class B drug offences following proactive policing activity.
- Joint work with Leicester City Council to identify long-term environmental improvements through Designing Out Crime initiatives.
- Enforcement activity has disrupted suspected drug supply, including significant seizures and targeted investigations.

Other news

The Beat Team has carried out targeted patrols and engagement with residents to address concerns and provide reassurance around the Grand Union Embankment.

The Beat Team has continued to deliver Bike Register events across the city centre, helping cyclists protect their property, deter theft and increase the chances of recovering stolen bikes.

Community engagements
