What matters to you

We have listened to you and the concerns raised and will prioritise the following:

Priority 1: ASB. **What we are going to do:** The beat team aim to tackle different elements of ASB in Anstey, Thurcaston, Cropston and Newtown Linford. Highlighted areas were both allotments in Anstey, Paper Mill Close and neighbouring recreational ground in Anstey, Mitchell's Field in Anstey, Bradgate Park.

Priority 2: Speeding and Road safety. **What we are going to do:** We will be looking at Road safety issues in Anstey and villages, including speeding, parking issues (especially around school times), obstructions in Anstey (in particular parking on Cropston Road), vehicles not complying with traffic signals in the Nook, and use of electric scooters in public places.

Priority 3: Drugs. **What we are going to do:** We are aware of areas where drugs are used, especially in public areas and causing distress for others. We are also aware of certain addresses and areas where drugs are dealt. We will be targeting these areas to try and cut this down. Please make contact with us if you have any information about this!

Anstey Beat team covers the large village of Anstey. They will also service the below villages along with Charnwood West beat team.

- Newtown Linford
- Cropston
- Ulverscroft
- Thurcaston

Anti Social Behaviour

The beat team aim to tackle different elements of ASB in Anstey, Thurcaston, Cropston and Newtown Linford. Highlighted areas were both allotments in Anstey, Papermill Close and neighbouring recreational ground in Anstey Mitchell's Field in Anstey Bradgate Park

We have patrolled all of these areas over the last month, with thankfully no significant ASB reports, although specifically we have patrolled Mitchells field for youths parking up in an evening, playing loud music and littering, Paper Mill Close, Stadon Road recreational ground for rowdy youths and the Nook car park for youths using gas canisters, although on our patrols these areas have all been peaceful and in order.

We are still seeing people riding e scooters and illegal electric bikes around the village. Please remember that these are illegal and we can remove these from people – They aren't cheap and you won't get them back.

We also do continue to have issues with electric motorbikes on Bradgate Park and continue to patrol here when possible. We will continue to patrol these areas and any others that may come to our attention over the coming month.

Drug dealing and antisocial drug use

We are aware of areas where drugs are used, especially in public areas and causing distress for others. We are also aware of certain addresses and areas where drugs are dealt. We will be targeting these areas to try and cut this down. Please make contact with us if you have any information about this!

As last month, we have patrolled these areas over the last month, particularly the areas around Paper Mill Close and Burgin Road and continue to gather intelligence on our patrols from local residents. We will continue to patrol over the coming month and take steps to enforce when and where possible. We haven't had many reports about drug use this month, but we know it continues so please keep that intelligence coming!

Road Safety Issues.

We will be looking at Road safety issues in Anstey and villages, including speeding, parking issues (especially around school times), obstructions in Anstey (in particular parking on Cropston Road), vehicles not complying with traffic signals in the Nook, and use of electric scooters in public places.

We continue to work towards making our streets safer for both road users and pedestrians alike, as well as all of the above we will remove cars that are illegal from our streets when possible as well and we have done so where we can this month.

We have patrolled school parking when we can.

Over the last month we have completed speed enforcement operations at the following locations –

Markfield Lane, Newtown Linford
Station Road, Cropston
Anstey Lane, Thurcaston

We're pleased to say that with the exception of a couple of vehicles that were travelling very marginally over the speed limits, all of the others were keeping to the speed limits, which is fantastic. Thank you!
