

ISSUE: **OCTOBER 2026**

#YouSaidWeDid : Priorities Chosen by You-

Agar Nook and Greenhill Patrol Update

Throughout the month, officers carried out a significant number of high-visibility patrols across Agar Nook, Greenhill and the surrounding areas, including Twyford Close, Stamford Drive and Oakham Drive.

Positive action was taken where offences were identified. This included the arrest of a male following an incident outside Agar Nook Store involving assault offences, and the arrest of a suspect wanted for an outstanding offence. Officers also gathered intelligence regarding uninsured vehicles and off-road bike use within the area and submitted intelligence reports to support future enforcement activity.

Community engagement remained a priority, with officers conducting patch walks with partner agencies and maintaining contact with residents.

School Parking Patrol Update

During the month, officers carried out regular patrols at **Hugglescote Primary School** and **New Swannington Road** to address concerns around school parking and road safety.

The majority of vehicles were found to be parked legally, with no significant issues identified during most patrols. Where obstructions were identified, officers took positive action, including speaking with drivers and requesting vehicles be moved to improve safety and traffic flow.

In addition, **warning letters were issued to drivers found to be parking illegally**, reinforcing the importance of considerate and lawful parking around schools to help keep children, parents and other road users safe.

Officers will continue to conduct patrols and engage with motorists to promote safer parking behaviour during school drop-off and pick-up times.

Road Safety and Speed Enforcement Update

Throughout the month, officers carried out a range of proactive road safety and traffic enforcement activities across the beat area, focusing on speeding, dangerous driving and anti-social vehicle use.

Regular patrols and speed monitoring were conducted on **Leicester Road, Whitwick, Heather and Ibstock Road**, with officers identifying several instances of poor driving behaviour. Words of Advice were issued to drivers where appropriate, and intelligence relating to vehicles observed driving in a concerning manner was recorded for **further assessment**.

Partnership work also continued, with the **Leicestershire Police Speed Van** deployed in Heather to help address community concerns around speeding. Officers additionally identified areas where motorists continue to exceed speed limits, particularly along routes approaching Ibstock.

Enforcement action was taken against anti-social vehicle use, including the issuing of **Section 59 warnings** to two motorbike riders following reports of inappropriate riding at **Hermitage**

"Good afternoon, everyone, I just wanted to take this opportunity to wish you a fun and happy Halloween and in turn provide access to the below link, which is poster that can be downloaded and printed. This can then be placed in a window at your home to inform people who are trick or treating whether you are taking part or not.

This can be a really fun and exciting time for many people, but it is appreciated that some people don't want to take part and don't wish to have visitors come

School Parking Warning Letters Issued

Over recent weeks, officers have been carrying out patrols around local schools following concerns raised by residents, staff and parents regarding unsafe and illegal parking.

As a result, a number of warning letters have been issued to drivers who were found parking illegally.

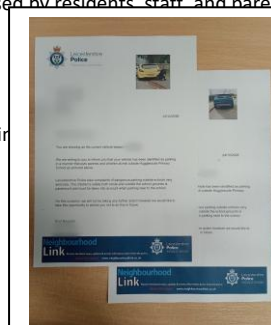

We understand school drop-off and pick-up times can be busy, however these parking restrictions are in place to ensure the safety of children and families walking to and from school.

Parents and carers are reminded to:

- Park legally and considerately
- Avoid blocking driveways, dropped kerbs, and junctions
- Follow all parking restrictions and signage
- Allow extra time for your journey where possible

We will continue to monitor school locations and work alongside our partners to improve road safety.

Thank you to everyone who parks responsibly and helps make our school communities safer.

Events

Beat Drop Ins
