News

We saw a large-scale car cruise making its way across numerous locations within our Neighbourhood Policing Area (NPA), involving hundreds of vehicles. In response, a dedicated team of officers were assembled to carry out high-visibility patrols and proactive stop checks. Throughout the evening PC Jodie, S/Sgt Tom, PC Sam, PC Nik and PCSOs Dan & Danny helped to disrupt this meeting. As a result of our activity, 1 vehicle was seized, 8 Section 59 warnings were issued and numerous drivers were given words of advice regarding their manner of driving.

Whilst the vast majority engaged appropriately with officers, it was disappointing (but perhaps not surprising) that just 20 minutes after receiving advice, four drivers chose to test their luck — and their braking distance — resulting in a four-vehicle collision with each other. One car was written off. Thankfully, there were no serious injuries. This incident has been dealt with. Let this serve as a reminder, we're out there to keep everyone safe. If advice is given, it's not part of a performance review for "Fast & Furious 12" — it's to prevent exactly this kind of incident. We will continue to monitor and take action where necessary. Drive safely, respect the roads, and remember... your car may be quick, but paperwork is quicker. We still have more work to do and more footage to review so watch this space for more results.

Your local beat team for Glenfield, Kirby Muxloe and LFE have been conducting hotspot dedicated patrols for ongoing Anti-social behaviour. We received reports of youths causing issues from inside of Morrisons in Glenfield. Officers have viewed CCTV and are in the process of identifying the individuals. Anti-social behaviour takes many forms, from aggressive, noisy or abusive behaviour to disturbances involving drugs or animals. We work with partners such as councils, housing and wellbeing services to tackle & prevent ASB. Is there a certain place you are aware of where Anti Social Behaviour is occurring? Let us know by contacting us online or via calling 101.

Whilst out on patrols with PCSO Danny, PC Gilbody was visiting Kirby Muxloe and came across a male believed to be carrying a knife. With no dog available, we deployed the next best thing — Danny himself. He quickly detained the male, who was then handcuffed and searched. A knife was recovered. The male was arrested on suspicion of attempted robbery, possession of a knife, and assault. PCs Hayden and Louisa arrived to assist, and the investigation is now ongoing.
