#YouSaid - What matters to you

We have listened to your concerns and prioritised the following in March 2025:

Priority 1: Anti-social Behaviour

- **You Said:** Reports of anti-social behaviour around "The Black Path" include youths throwing items at houses and knocking on doors.
- **Our Action:** Patrols were conducted by the beat team on the Beaumont Walk area. During the month of March we seen a reduction in the amount of calls. We have a few specific houses we have conducted joint visit with Housing ASB officers and advised friend on motorbikes associating with their address could affect their tenancy agreement. We will continue our preventative patrols in the area throughout April.

Priority 2: Retail Shop Thefts

- **You Said:** Retailers and security at the Beaumont Leys Shopping Centre continue to report a significant increase in shoplifting and threats against store staff.
- **Our Action:** A Problem Management Plan has been established. We will collaborate with retail stores and security personnel to address the offenders. Crime prevention patrols are being conducted by both uniformed and plain-clothed officers.

Priority 3: Thefts from Motor Vehicles

- **You Said:** Addressing the increase in thefts from motor vehicles, particularly at Heathley Park. Light commercial vehicles are being specifically targeted for tools left inside overnight.
- **Our Action:** The Beat team is working with local businesses in the area to locate weaknesses and prioritise our patrols to strengthen them areas. We have seen a reduction in theft from vehicles in the area, however we plan to continue through April.
