What matters to you

We have revised our beat priorities as of July 2025 to reflect what we have been told concerns the community most.

- **Priority 1: ASB and Seasonal Crime—Victoria park.** We have had an escalation in reports of Vehicle Related ASB in Victoria Park's Car Park—The area will be a top priority for the beat team along with Traffic Police being involved. We will be supported by council CCTV located in the car park to identify offenders.
What we did: Throughout 2025, a number of Section 59 warnings, Traffic Offence Reports (TOR) and some seizures of vehicles have taken place. We will be persevering with this. **4** notices sent out in the last week of July
- **Priority 2: e-Scooters and e-Bikes -** Ongoing concerns of e-scooters and bikes being ridden anti-socially in the Clarendon Park area.
What we did: To date; across Clarendon Park and neighbouring areas, an approx. 300 E-scooters and bikes have been seized. We will be continuing with Op. Pedalfast for the foreseeable.
- **Priority 3: Vehicle Crime -** We will carry on with our initiatives to remind and re-educate about vehicle security over the summer months.
What we Did: Vehicles that appear to have been left in situ for some time have also been checked with the departure of students from the area. **2 thefts from vehicles in July**
