What matters to you

We have identified the following priorities which are in place as of 1st July 2026:

- **Priority 1: Anti-Social Behaviour (ASB)**

You Said: ASB is prevalent in the local area and continues to cause concerns, particularly within the estate.

We Did: Officers are actively working to address ongoing anti-social behaviour issues, especially those involving young people. Through targeted patrols, early engagement, and enforcement where necessary, we aim to reduce incidents and ensure residents feel safe and supported in their community.

- **Priority 2: Drug Dealing**

You Said: Drug dealing continues to be a key issue around the estate.

We Did: We continue to take a proactive approach to tackling drug-related issues within our communities. Through intelligence-led operations and close partnership working with Leicester City Council, action is being taken against properties linked to the use and supply of illegal drugs.

- **Priority 3: Off-Road Vehicles**

You Said: In previous years as we head towards the summer, off-road bikes and quad bikes start to become an issue – being ridden illegally and dangerously in open and green spaces.

We Did: Tackling the misuse of off-road motorcycles remains a priority for local policing teams. Officers are carrying out targeted patrols and enforcement activity in areas affected by nuisance riding, using local intelligence and reports from the community to identify those responsible. We are also working with partner agencies to disrupt offenders and reduce the impact this behaviour has on residents, local open spaces, and the wider community.

Other Local News

We have recently met with members of 'Pride in Place Eyres Monsell'. 'Pride in Place' is a long-term investment programme that supports communities to shape the future of their neighbourhoods. You can read more about this here: <https://www.leicester.gov.uk/culture-and-sport/pride-place>

Local officers attended the Eyres Monsell Community Ward Meeting on the morning of Wednesday 30th September. This is a really good opportunity for local people to raise issues with local services and their local councillors. The next meeting will be in December 2026. You can find out more about past and future meetings here:

<https://cabinet.leicester.gov.uk/ieListMeetings.aspx?CommitteeId=458>

Finally, local PCSOs have been out and about covering more areas of the beat via foot patrol and ensuring we are more accessible in the community. We will be continuing this work moving forward and always welcome feedback on where you would like to see more foot patrols. Simply reply to the original email where you received the newsletter and that information will come back to us.
